

Willow International School Newsletter

Dear Families,

Friday 18th March 2022

We here at Willow International School hope this weeks Newsletter finds you well.

Please continue to order from our Online school uniform shop. If you have concerns or issues regarding the Online process, do not hesitate to get in touch.

Please continue to read each newsletter as there will be important dates and information contained in each.

Best regards,

Amanda Riding

Covid—19 Safety

As per Government guidelines, masks must be worn at all times whilst in school.

Please ensure that you send your child to school wearing a mask and with a spare mask in their bag.

We do have a limited number of masks for emergencies, but due to a rise in the number of students arriving to school with no mask at all, we ran out this week.

Students should also carry a small bottle of hand sanitiser in their bag for emergency use.

Temperatures are taken each morning on entry. If we have any concerns regarding a student's temperature, we will call you to collect your child straight away.

Year 8. PE Theory

Working on their Healthy eating and a Balanced diet.

Luca B Year 10

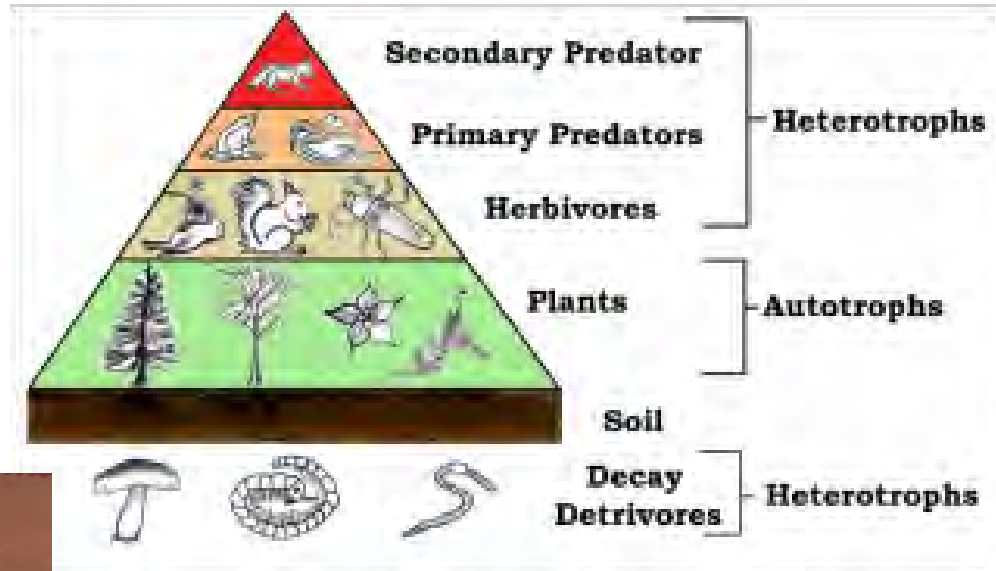

Primary 3

The Food Chain

Primary 3 working as one team to complete a food chain activity. Producers and consumer cards were used to complete the correct sequence.

A food chain is a linear network of links in a food web starting from producer organisms (such as grass or trees which use radiation from the Sun to make their food via photosynthesis) and ending at an apex predator species (like grizzly bears or killer whales), detritivores (like earthworms or woodlice), or decomposer species (such as fungi or bacteria). A food chain also shows how organisms are related to each other by the food they eat. Each level of a food chain represents a different trophic level.

WILLOW INTERNATIONAL ACADEMY
