Willow International School Newsletter

Dear Families,

Welcome back to the Willow International School Newsletter for 2024 and we are already super busy planning lots of exciting things to look forward to this year!

This term we are highlighting the importance of outdoor learning in particular, as it is proven to increase attainment of grades and improve health and well-being of students.

We are also preparing Year 11 students for their mock examinations next month and helping them to really focus on preparations for the May GCSE examinations.
